## What is the ARC Network?

The **ARC Network** is a ministry of the Apostolic Resource Center. It is a global apostolic network of ministers, ministries (including church networks) & financial prayer partners who are called to impact the seven mountains of our culture through business in the marketplace, media, arts & entertainment, government, education, church & family.

## What is an Apostolic Center?

An Apostolic Center equips & launches people into ministry & functions as a family base to ministers. Its leadership follows the pattern found in Ephesians 4:11, with Apostles & Prophets being the foundation and Christ being the Chief Cornerstone (Ephesians 2:20).

## ARC Vision & Purpose

This network exists to equip, train, and unite the church of this generation in revelation, impartation, and activation for the end time harvest. Our goal is to equip a supernatural laboring force to see revival reform our city, nation, and world; through itinerate ministry, missions, market-place ministers, conferences, training schools for leadership, and providing resource materials.

## Ministry Track Diversity

ARC Network offers 3 ministry tracks in order to accommodate the creativity & diversity represented by individual gifting & calling. Each of which offer their own corresponding responsibilities & privileges. Offering formal credentials for Ephesians 4:11 five-fold ministers needing ordination & licensing, as well as affiliation for ministries needing the covering of a legal non-profit 501 C-3. We also offer a less formal ARC Network Member certificate for those in traditional & non-traditional ministry looking for apostolic alignment, ministry affirmation & relational connection. Last, but not least we have our financial prayer partners.

## Out of the Box Ministry

This application is for those desiring to connect relationally with the ARC Network through a less formal out of the box approach to ministry. As we believe that every born again believer is called to be a minister and has a ministry. Affirming that every believer is called to impact culture through their mountain of influence for the advancement of the Kingdom. We are homemakers, politicians, business leaders, intercessors, doctors, lawyers, worship leaders, painters, pastors, writers, laborers, etc.

Every believer is diverse in expression of every gifting that the Lord has uniquely created us to be as individuals. ARC Network endeavors to affirm these individual's as minister's with ministries, encourage them in their gifting & calling, connect them relationally through networking to strengthen one another as family, & empower them to fulfill their God given calling and mandate.
